Implementation of 'A' and 'B' Carrier's Licence

The public is hereby reminded that, **since February 2021**, applicants for 'A' and 'B' Carrier licences are being assigned with a unique reference number at the time of submission of applications. The list of successful applications is regularly uploaded on the NLTA website at nlta.govmu.org.

Applicants, whose reference number has been posted on the website, shall therefore have to call at the office of the NLTA, Cassis for implementation of their respective licences.

Those applicants, whose reference numbers have not been posted on the NLTA website, may call at the NLTA Head Office, MSI Building, Les Cassis for any information or clarification required with a view to re-submit or not an application as the case may be.

The National Land Transport Authority relies on the usual understanding and cooperation of the public.
