

PRESS COMMUNIQUE

Compulsory Use of Student MECards

Metro Express Ltd (MEL) wishes to remind our passengers once again, especially all full-time students, that, **as from 1st August 2023**, it is **mandatory** to have their personalised Student MECards **and** the **Student Identity Card** (SIC/NLTA Bus Pass) while travelling onboard the Metro Express.

This is crucial to:

1. benefit from free travel between his/her residence and his/her Educational Institution on school days only.
2. benefit from reduced fare (3/4) if not travelling between his/her residence and his/her educational Institution or on non-school days or during school holidays.

We kindly remind students, without a Student MECard, to follow up with their schools to request for their student MECard. In the event that a student does not possess a valid Student MECard and SIC, **he/she will be required to purchase a Single Use Ticket from a Ticket Machine to travel.**

ALL passengers please ensure that you **TAP ON**, prior to start of your trip and **TAP OFF**, upon completion of your trip at stations.

We wish you a great journey onboard the Metro Express.

Thank you.
