UPGRADING OF ENGINEER STREET AND OTHER ANCILLARY WORKS FOR VICTORIA URBAN TERMINAL

TRAFFIC DIVERSION ALONG DESCHARTRES STREET

The public is hereby informed that Gamma Civic Ltd will be carrying out excavation works at the junction end of Deschartres street – Motorway M1 for the construction of major drain works and road works for the Road Development Authority.

For the safe execution of the Works, traffic will be diverted along the newly constructed new slip lane to exit Deschartres Street towards Caudan Round about **as from 26 June 2023 for a period of 04 Months.**

The necessary traffic signs, bollards, barricades and flashing lights will be set up to inform and guide and channel road users during the temporary diversion phases. Police will be present at all times at strategic junctions for assistance to road users.

Drivers are strongly advised to exercise caution when approaching the work area and to drive within the prevailing speed limit.

The Ministry regrets any inconvenience caused and relies on the usual cooperation of the public.
