

## Press Communiqué

### Drainworks along A10 Road at Nouvelle France – Motorway M1 Crossing

The public is hereby informed that owing to excavation and drain construction works being undertaken by Sotravic Ltee, on behalf of the Road Development Authority, along the Motorway M1 at about 100 metres to the North of the Nouvelle France Roundabout, the following traffic scheme would be implemented thereat **from 15 March 2023 to 30 April 2023:**

**i. Works on the Northbound Lanes (for a period of 3 weeks)**

The traffic lanes to the South would be reduced to 3.1 m wide each from the left-hand side road edge and the central reserve would be reinstated with asphalt to create two traffic lanes heading to the North. Each traffic lane would be restored back to normal beyond the works area; and

**ii. Works on the Southbound Lanes (for a period of 3 weeks)**

The traffic lanes to the North would be reduced to 3.1 m wide each from the left-hand side road edge and the central reserve would be reinstated with asphalt to create two traffic lanes heading to the South. Each traffic lane would be restored back to normal beyond the works area.

The necessary traffic signs would be set up to inform and guide road users accordingly. Police would provide assistance to road users.

Drivers are strongly advised to exercise caution when approaching the works area and to drive within the prevailing speed limit.

The Ministry regrets for any inconvenience caused and relies on the usual cooperation of the public.
