

Individual Income Tax Returns e-Filing Season 2023

- **57,700 Returns received as at 14 September 2023**
- **Deadline to submit Return: Monday 16 October 2023**

57,700 taxpayers have already filed their **Individual Income Tax Returns for the Season 2023** by midnight, Thursday 14 September, 2023. The e-Filing exercise comprises the filing of Income Tax Returns by Individual taxpayers based on income received for the period 1st July 2022 to 30th June 2023. It concerns employees in the public and private sectors, as well as, self-employed individuals and expatriates.

The deadline for the submission of Individual Income Tax Returns for the e-Filing Season 2023 to the Mauritius Revenue Authority (MRA) is Monday 16 October, 2023. However, MRA is making an appeal to taxpayers not to wait for the last minute to submit their returns and effect payment if any. Moreover, those eligible for a refund will have their accounts credited promptly, if they file their returns early. To this end, taxpayers are requested to provide their correct bank account details.

Where the return shows a tax payable, taxpayers are required to make their payment electronically. The necessary facilities are available on the MRA website: www.mra.mu and the payment instructions may be given on the submission of the return. Alternatively, the payment instructions may be given by making use of the e-payment option available under e-services on the MRA website.
