

PRESS RELEASE

22 February 2024, 18:45H

Subject: Resumption of Operations at SSR International Airport

Following the issue of the Termination bulletin by the Mauritius Meteorological Services, Airports of Mauritius Co. Ltd (AML) informs all intending passengers and the public that SSR International Airport will reopen and resume its operations as from 18:45H (Local Time), on Thursday 22 February 2024.

However, intending passengers are strongly advised to contact their respective airlines for further information on the status of their flights and not to proceed to the airport, unless receiving confirmation of the revised departure time.

In order to ensure a smooth resumption, access to the Check-in Hall of the Terminal will be temporarily restricted to departing passengers.

AML relies on the understanding and collaboration of all towards restoring normal airport operations at the earliest.

END
