

PRESS RELEASE

The Ministry of Health and Wellness informs the public that a dedicated hotline service for relatives/responsible parties of patients admitted at the ENT Hospital for COVID-19 Treatment is operational as from the 1st December 2021.

The Hotline service may be contacted by dialling: 86066 and will be operational on a 24/7 basis.

Responsible parties and close relatives of patients admitted in this COVID-19 treatment facility will be provided with information regarding the state of health of their dear ones.

Only close relatives/responsible parties, known to the medical staff and designated by the patients will be provided with patient information.

1st December 2021

Ministry of Health and Wellness
