### Extension of variation for Licencees of PSVL Contract Bus (Tourist)

The National Land Transport Authority (NLTA) informs licencees of PSVL Contract Bus (Tourist) who temporarily varied their licences to the category of PSVL (Employees) that, upon expiry of the validity of their variation on 30 June 2021, they will be able to further extend same up to 31 December 2021 in view of economic difficulties they may have faced due to the Covid-19 pandemic.

Consequently, the NLTA informs all interested licencees who wish to extend the validity of their licences to call at the Head Office of the NLTA at Cassis as from Wednesday, 04 August 2021 during working hours. They should produce their National Identity Cards, their present licences and a letter to request for such extensions.
