

**PRESS COMMUNIQUE**

**Road Closure in view of excavation works for Contract WW453W - Laying of Wastewater Sewer Pipes in Pointe aux Sables**

The public is hereby informed that excavation works would be carried out along Jacquiers Street (Flat Guillard) and Avenue Peupliers for the laying of wastewater sewer pipes **for a period of 8 months as from 19 April 2022.**

Part of Jacquiers Street and Avenue Des Manguiers Street, where Flat Guillard, is located would be temporarily closed from 09 00 hrs till 17 30 hrs. Traffic signs would be set up to inform and guide road users.

One lane along Avenue Peupliers would be closed to traffic at specified locations during working time. Traffic would be controlled by a **“Stop/Go” scheme** on the opposite lane.

Drivers are strongly advised to exercise caution when approaching the works area.

This Ministry apologises for the inconveniences caused and relies on the usual collaboration of the public.
