Metro Express Project (Phase 3)

Traffic Diversion Scheme for Drain Works near Caudan along Motorway M1 at Place D'Armes, Port Louis

The public is hereby informed that major construction works in the context of the Metro Express Project will be carried out along Motorway M1 at Places D'Armes, Port Louis.

Accordingly, the traffic scheme from Le Pouce Stream to Louis Pasteur Junction at Place D'Armes, Port Louis, would be reconfigured as from **14 October 2022 for a duration of 3 months**, as follows:

- two traffic lanes northbound and one right turning lane into City Centre would be maintained;
- the two traffic lanes southbound would be maintained; and
- traffic movement turning left onto Motorway M1 from Intendance Street would be controlled by Traffic Lights.

The necessary traffic signs would be set up to inform and guide road users/drivers. Police assistance would be provided to manage the traffic flow.

Road users/drivers are strongly advised to exercise caution when approaching the work area, to follow the traffic signs as indicated and to drive within the prevailing speed limit.

The Ministry regrets any inconvenience caused and relies on the usual cooperation of the public.
