

Ministry of Health and Wellness

COMMUNIQUE

The Ministry of Health and Wellness informs the public that all persons who have received a **Single Dose of Johnson and Johnson Vaccine 4 months ago** are now eligible for a **Booster Dose**.

All persons aged 70 years and above will have a Booster Dose with the Pfizer Vaccine.

All those persons wishing to get vaccinated are kindly requested to bring their **National Identity Card and their vaccination card** along with them for the administration of the booster dose.
