### COVID 19- Special Arrangement for Carrying out of Fishing Activities during Confinement Period

The Ministry of Blue Economy, Marine Resources, Fisheries and Shipping wishes to inform that registered fishers are now authorised to carry out their fishing activities in their respective fishing areas at any time convenient to them from Monday to Saturday excluding Sunday and Public Holidays.

According to Government Notice No. 512 of 2021, only registered fishers are allowed to go out for fishing activities.

Consequently, applicant fishers are not authorized to carry out fishing activities during the Covid-19 confinement period. They are requested to submit their application for the **Self-Employed Assistance Scheme** at the Mauritius Revenue Authority.
