

Ministry of Health and Wellness
COMMUNIQUE

The Ministry of Health and Wellness informs the public that vaccination sessions for the administration of Pfizer Vaccines (1st dose) have been extended for adolescents aged 15 to 17 years who do not attend any educational institution from Wednesday 24 to Thursday 25 November 2021 as follows:

SN	Date	Time	Venue
1.	Wednesday 24 November 2021	09 00 – 15 00 hours	Octave Wiehé Auditorium, Reduit
2.	Thursday 25 November 2021	09 00 – 15 00 hours	

All adolescents aged 15-17 years, who do not attend any educational institution, attending the above vaccination centre for their 1st dose of Pfizer vaccine should bring along their birth certificate and should be accompanied by their parents who would be required to sign a consent form. Parents should bring along their vaccination card.
