

COMMUNIQUE

The public is hereby informed that a selective fruit bat control exercise is currently underway in accordance with the provisions of the Native Terrestrial Biodiversity and National Parks Act 2015 by the National Parks and Conservation Service with the assistance of the Special Mobile Force.

This exercise is being carried out in Forest Lands and commercial orchards between 1700 hours (evening) and 0600 hours (morning) till the end of December 2019.

The public is requested to abide to the safety and security measures that will be put in place at the sites where the control exercise will be undertaken in order to enable the smooth running of the operations.
